Study Australia
Why study in regional Australia?
Destination Australia scholarship program

The Australian government has announced the Destination Australia scholarship program to support students to study in regional Australia.

1000+ scholarships for students studying a Certificate IV to Doctorate level qualification at a regional campus of an eligible tertiary education provider.

$15,000 per year to support study and living expenses.
Outstanding education in Australia

Great places to enjoy the study experience

- Regional cities have many facilities that you find in big cities, but the proportion of international students is lower and there is a strong sense of community.
- Australia is famous for its spectacular environmental diversity, such as the Great Barrier Reef, the Snowy Mountains, and more. A regional study location enables students to be immersed in the natural surrounds.
- For postgraduate international students, many of whom are accompanied by their families, the regional option can prove even more attractive.
