<b>16<sup>th</sup> November 2022</b>	1 528
<b>Total</b>	<b>4 293</b>

**4,139 students** and **126 teachers** registered to visit the event. 2,960 students completely filled out the registration questionnaire. A Test of Study Types was available to visitors. The result of the test is placement of the student in one of five study types (economic, technical, humanities, natural sciences, arts). Each type is assigned an icon and an identification colour. Marking study types with icons is implemented on the Gaudeamus.cz, Gaudeamus-sk.sk portals and in the Gaudeamus Guide and Gaudeamus Advisor mobile applications. According to this designation, students could more easily find a study program corresponding to their type. Invitation to the Study Types Test was sent to all registered students. Before visiting the event, **1,866 students (45% of registered students)** took the Test of Study Types. The results of the Study Types Test are presented in the table.
